EXERCISE 3 | Read the statements and identify whether they are TRUE or FALSE.

	TRUE	FALSE
Violins have strings.		
The instrument with the highest pitch is the violin.		
The double bass is the biggest instrument in the string family.		
Cellos don't have strings.		
The instrument with the lowest pitch is the viola.		
The viola is bigger than the violin but smaller than the cello.		
The cello is the smallest instrument in the string family.
